Chad:

I wanted to let you know that we were not authorized to issue the requested Supplemental Agenda. It should be on next week's Utilities Agenda.

Dear David –

On July 15, 2021, the South Carolina Coastal Conservation League, the Southern Alliance for Clean Energy, the Sierra Club, and the Carolinas Clean Energy Business Association filed a Joint Motion requesting that the above-referenced docket be held in abeyance until 60 days after DESC files its 2021 IRP Update. As indicating in the Joint Motion, DESC has consented to the Joint Motion.

I am writing to respectfully request that the Commission issue a Supplemental Agenda for the purpose of considering the Joint Motion at its next business agenda meeting on July 28, 2021. The reason for my request is that DESC's pre-filed direct testimony is due next week on August 5, 2021. For DESC's planning purposes, it would be extremely helpful to know as soon as possible the Commission's ruling on the Joint Motion.

Thank you for your consideration of issuing a Supplemental Agenda. If you have any questions or need additional information regarding this matter, please do not hesitate to contact us.

Chad
